Dear Rudy,

Thank you for supporting the 2017 Metro Vancouver Crime Stoppers Annual Golf Tournament. A mainstay in the golf tournament "circuit", this event is the single largest fundraiser for Crime Stoppers each year. This year, I am delighted to report that with your support, we raised just over \$40,000!

We owe a great deal to you as our Golf Cart sponsor. Without your annual support, the tournament would not be the success it is, year after year. Not only is your sponsorship a valuable financial contribution, but it also sends a message to the community that you see our work as valuable and impactful. You are part of the effort to inform the public that the Crime Stoppers tip line is here to serve.

I have included a small token of our appreciation and a little remembrance of the day. Mark your calendar for the 2018 event, planned for June 7th at Tsawwassen Springs. With your help, our goal will be to raise \$50,000!

Finally, we are very aware that you receive many requests to participate in fundraising events. Each is from another worthy charity, so we truly appreciate you choosing Metro Vancouver Crime Stoppers as a recipient of your support.

With appreciation,

Linda Annis
Executive Director
